16	Appendix 4 - Material and course fees.....	103
17	Appendix 5 - Administrative fees.....	164

1 Foreword

The '2014 Approved Schedule of Fees and Charges' outlines all fees that may be charged by RMIT for enrolment or other engagement with RMIT in the 2014 calendar year. This document is published annually under the authority of the RMIT University Council. All fees in this schedule and appendices are subject to alteration by Council without prior notice. All approved changes will be recorded in the addendum of this document and posted on www.rmit.edu.au/fs/studentfees/schedules

Only fees that have been approved by the Vice-Chancellor (or delegate) can be charged to students or persons; fees not approved should not be either charged or collected. Only approved fees listed in this document (or its subsequent revisions) and appendices are configured in the University's student administration database. All student fees must be charged through the University's student administration database (SAMS) unless otherwise approved by Financial Services.

All fees and charges listed in this document and its appendices have been approved by the Vice-Chancellor and endorsed by Financial Services. Any questions about this document should be referred to fee.compliance@rmit.edu.au

In broad terms, there are four categories of fees charged by RMIT:

1. Tuition fees for Higher Education, TAFE and preparatory students studying in a Commonwealth or State Government supported place, or as a full fee-paying domestic or international student. This includes student contributions or tuition contributions.
2. Student services and amenities fees for services and amenities of a non-academic nature, such as sporting and recreational activities, employment and career advice, childcare, financial advice and food services.
3. Material fees and charges associated with courses and subjects offered by the University. These include fees or charges associated with field trips or goods that are used to produce items that become the physical property of students. In most instances, these charges are not compulsory and are optional at the student's discretion.
4. Administrative fees and charges include fees for services, parking, library fines, penalties for late payment or late enrolment, graduation ceremonies, etc.

The following sections provide a list of the fees and conditions that may apply to fees charged to students or persons for enrolment or other engagement with RMIT during 2014.

Fee information is also provided on the RMIT website www.rmit.edu.au/programs/fees

2 Application of 2014 Approved Schedule of Fees and Charges

All students or persons who enrol at RMIT for studies in the 2014 calendar year, or who otherwise engage with RMIT in 2014 (e.g. graduation, car parking, apply for admission, etc.) are subject to the fees and charges detailed in this document.

All students who undertake their studies at RMIT in the 2014 calendar year are required to enrol. Completion of an enrolment form or online enrolment is a declaration that binds a student to the rules and obligations of this approved schedule of fees and charges (inclusive of amendments subsequently approved by Council).

A student or person is liable for the resulting financial obligation from the application of their enrolment or other action pursuant to this approved schedule of fees and charges. The financial obligation to pay tuition fees will remain unless withdrawal of enrolment is made via the approved process prior to the semester financial deadlines advised.

2.1 Creation of financial liability

Financial liability for all Tuition and Administrative fees and charges is created at the point of enrolment. Students become liable for Material fees upon signed agreement and/or upon receipt of the corresponding goods or service.

2.2 Cessation of financial liability

Financial liability only ceases upon payment or withdrawal from a course or program by the appropriate date.

The only mechanisms to withdraw from a course are via Enrolment Online or an approved *Enrolment Variation* or *Leave of Absence* form.

The only mechanism to withdraw from a program is lodgement of a *Cancellation of Enrolment* form with RMIT University or RMIT Training.

3 Tuition fees

3.1 Annual fees

Program and course tuition fees for students who commence their program in 2014 are held constant only for the 2014 year.

RMIT University reserves the right to annually adjust program tuition fees. Changes to program tuition fees will be applied at the beginning of each calendar year. In 2014, the annual tuition price increase is capped at 7.5%. This cap applies to local and international full-fee paying Higher Education students and to international full-fee paying TAFE students. For Higher Education fees, tuition fees are rounded up to the nearest \$10.00 per credit point increment, and so the actual fee increase may exceed 7.5%. Similarly, for VET/TAFE students the program annual fees are rounded to the nearest \$250, and so the actual fee increase may exceed 7.5%.

Domestic TAFE fees are not subject to an annual cap and fee increases may exceed 7.5%.

Students who commenced their program in semester 2, 2003 or earlier (term 0350 or prior) will continue to be charged according to the terms and conditions existing at the time of their initial enrolment in that program. In other words, these student fees will continue to be "pipelined" for the duration of their continuous enrolment in the program they commenced in semester 2, 2003 or earlier.

3.2 Cohort pricing

Where the tuition fee for a given program exceeds the cap on annual tuition price increases, students who are currently enrolled will be entitled to complete their tuition at their current fee rate (subject to annual indexing), while newly enrolling students will be charged at the new fee rate. Any change of program is treated as a new enrolment. The list of the average annual 2014 tuition fees for all local and international undergraduate and postgraduate full-fee paying programs, and for all TAFE programs in Appendices 1, 2 and 3 may, therefore, include two or more price streams for a single program. Where this occurs the "program description" field will indicate the cohort by calendar year that corresponds to the annual fee price listed. Students are allocated to a cohort based on the semester and year they are admitted into the program.

3.3 Standard or average load

Annual tuition fees are based upon standard or average load (total program load ÷ program duration) and normal progression, with pro-rata fees applying to non-standard loads.

The standard measure of a full-time student load in Higher Education is 48 credit points per semester. TAFE programs do not conform to a standard load per semester; the annual fees for TAFE programs are, therefore, based on a calculation of total program fees (at current year prices) divided by program duration.

TAFE tuition fees are configured at the level of nominal hours and students are, therefore, charged according to their enrolled load at the program price set for the corresponding calendar year. To illustrate, a program requiring 1,500 nominal hours over two (2) years may require students to undertake 700 nominal hours in the first year and the balance of 800 nominal hours in the second year. Assuming full-time enrolment, the student will, therefore, be charged for 700 nominal hours in the first year at the fee set for that calendar year and 800 nominal hours for the second year at the

new calendar year rate. The fee charged for each semester may also vary between semesters as the enrolment requirements in TAFE Programs varies between semesters.

Over the full duration of the program, the total program tuition fee will be the fee quoted (subject to annual adjustments). TAFE fees may be in excess of the total program tuition fees (including annual adjustments) if the student chooses non-standard electives or if a student enrolls in subjects in addition to the normal program load. Due to their variable program structure, some TAFE programs may have a different fee depending on the student's chosen stream.

3.4 Higher Education – Commonwealth Supported Place (CSP)

A Commonwealth supported place (CSP) is a Higher Education place for which the Commonwealth Government makes a partial financial contribution. In addition to this Commonwealth contribution, CSP students are required to pay a student contribution according to the units of study (courses) undertaken. Some CSP students may be eligible for HECS-HELP assistance to help them pay their student contribution amounts (see section 3.5).

A student is a CSP student only if they have received confirmation from RMIT that they have been offered a Commonwealth supported place, and the student accepts that place.

Further information about Commonwealth Supported Places is available on the RMIT web page www.rmit.edu.au/programs/fees/highered/css

3.4.1 Calculating the student contribution

Commonwealth Supported Place (CSP) students are required to pay a student contribution amount which, depending upon eligibility, may be paid upfront or deferred through the HECS-HELP scheme (see section 3.5).

Student contribution amounts are charged on a semesterly basis. After each published semester census date all CSP students are issued a Commonwealth Assistance Notice (CAN) that details their student contribution amounts and any payments made upfront for each enrolled course.

The student contribution amount for a course is based on the student contribution band that the course falls within (see Table 1 below) and the Equivalent Full-Time Student Load (EFTSL) weight of the course as a proportion of a full-time study load (i.e. student contribution band x EFTSL course weight).

The weight of courses is measured as a proportion of a full-time student load (1 EFTSL) and can also be measured in credit points. A full-time load for Higher Education students at RMIT is equivalent to 96 credit points. Some programs, such as double degrees, may require the student to enrol in more than 96 credit points in some or all years of the program.

It is important to note that the student contribution bands are determined by the individual "unit of study" (which RMIT defines as a course), not the program or degree. That is, if a student enrolls in a nursing course and an accounting course as part of a Bachelor of Nursing program, the nursing course will be charged in Band 1 and the accounting course will be charged in Band 3.

More detailed information regarding calculation of student contribution amounts is provided on the RMIT website www.rmit.edu.au/programs/fees

Table 1: Maximum student contribution amount by student contribution band - 2014

Student Contribution Band	Maximum student contribution amount for a place in 2014 (1 EFTSL or 96 credit points)
Band 1: humanities, behavioural science, social studies, education (see Notes), clinical psychology, foreign languages, visual and performing arts, nursing (see Notes)	\$6,044
Band 2: mathematics, statistics, computing, built environment, health, other health, allied health, science, engineering, surveying, agriculture	\$8,613
Band 3: accounting, administration, economics, commerce, law, dentistry, medicine, veterinary sciences	\$10,085

Notes on Table 1:

From 1 January 2013, all students enrolled in accounting, administration, economic and commerce units can be charged the Band 3 rate and all students enrolled in mathematics, statistics and science units of study can be charged the Band 2 rate.

For pre-2010 students, the maximum annual student contribution amount that may be charged for education and nursing units is \$4,836.

From 1 January 2010, the maximum annual student contribution amount for commencing Commonwealth supported students undertaking education and nursing units of study has been increased from the "national priority" rate to the Band 1 rate.

3.4.2 Pre-2010 students

Effective 1 January 2010, the maximum annual student contribution amount for education and nursing units of study increased from the National Priority Band rate to the Band 1 rate. This applies to students who commenced their program of study from 1 January 2010. Continuing students will continue to be subject to the National Priority Band rate that applied in 2009, indexed for subsequent years (\$4,836 in 2014).

A person is a pre-2010 student for a unit of study if:

- the person commenced a course of study with a provider before 1 January 2010 and was a Commonwealth supported student in relation to a unit of study in that course; and
- the person did not complete the course by 31 December 2009, or if they completed the course, it was:
 - an enabling course undertaken in 2009; or
 - a related course for an honours course of study and they are undertaking the honours course of study; and
- the unit of study would have been included in Education in the funding cluster Mathematics, Statistics, Behavioural Science, Education, Computing, Built Environment, Other Health or the funding cluster Nursing repealed by of the Higher Education Support Amendment (2009 Budget Measures) Act 2009.

To be a pre-2010 student there is no requirement that the course a student was undertaking as a Commonwealth supported student prior to 2010 was a course in education or nursing or related disciplines or that the student has undertaken units of study in education and nursing or related disciplines prior to 2010.

The pre-2010 arrangements apply to students who transfer from one course of study to another (including where one course of study is postgraduate and the other undergraduate), or who transfer between providers, as long as they meet the above requirements.

Where a student commenced a course of study as a Commonwealth supported student before 2010, has not completed the course of study by the end of 2009, and takes a break from their studies by deferring, they are a pre-2010 student on their return to that course of study.

There is no sunset clause for the grandfathering arrangements for pre-2010 students.

Pre-2010 students enrolled in double or combined degrees

- A student who is enrolled in a double or combined degree program is a pre-2010 student if they completed the requirements of only one of the awards on or before 31 December 2009.
- A pre-2010 student enrolled in a single degree program and who transfers subsequently to a combined or double degree program remains a pre-2010 student even if they complete the requirements of one of the awards.

3.5 Higher Education Loan Programme (HELP)

Through the Higher Education Loan Programme (HELP), the Commonwealth Government lends eligible students money to pay for their Higher Education fees. HELP is administered under the *Higher Education Support Act 2003* (HESA). While some information about HELP is provided in this document to assist students, a student's official reference for HELP is the Commonwealth Government *Study Assist* website at: www.studyassist.gov.au and publications such as the *FEE-HELP information 2014* booklet and the *Information for Commonwealth supported students 2014* booklet. Changes may be made by the Government to the legislation for HELP at any time.

The Commonwealth Government's *Study Assist* website www.studyassist.gov.au contains links to their *myUniAssist* database, which is designed to help students keep track of how much Commonwealth assistance they have used.

Should any inconsistencies between this document and the official Commonwealth Government website arise, then the information contained on the Commonwealth Government website prevails.

HELP loans provide eligible students with assistance to pay all or part of their tuition and amenities fees. The HELP loans available are as follows:

- **HECS-HELP** — for eligible students enrolled in Commonwealth supported places (CSP). HECS-HELP loans cover all or part of your student contribution only. The student services and amenities fee can NOT be deferred by HECS-HELP.
- **FEE-HELP** — for eligible full-fee paying students. FEE-HELP is a loan that covers up to the full amount of your tuition fees only. It is available to full-fee paying undergraduate and postgraduate coursework and research students. Undergraduate students (including Associate Degree

students) are charged a 25% loan fee. The student services and amenities fee can NOT be deferred by FEE-HELP.

- **OS-HELP** — for eligible Commonwealth supported students who wish to study overseas. This loan is to assist with expenses such as accommodation and travel.
- **SA-HELP** — for eligible Higher Education students. SA-HELP loans are provided to cover all or part of your student services and amenities fee. Students must apply for this loan in addition to FEE-HELP or HECS-HELP in order to defer the student services and amenities fee.
- **VET FEE-HELP** — for eligible TAFE students. VET FEE-HELP loans are provided to meet all, or some, of the costs of tuition incurred by:
 1. Eligible full-fee paying TAFE students who enrol in a diploma, advanced diploma, vocational graduate certificate or vocational graduate diploma program; and
 2. Eligible TAFE students subsidised by the Victorian State Government, who enrol in a diploma or advanced diploma program.

A loan fee of 20% applies to TAFE full fee paying places. TAFE students in Victorian Government subsidised places are not charged a loan fee.

Further information about HELP loans is available at www.rmit.edu.au/programs/fees/helploans

3.5.1 Lifetime limits to HELP loans

Over a student's lifetime a FEE-HELP limit applies for access to a FEE-HELP or VET FEE-HELP loan. The FEE-HELP limit is indexed annually. In 2014 the FEE-HELP limit is \$120,002 for students undertaking medicine, dentistry and veterinary science programs (as defined in HESA) and \$96,000 for all other students.

The FEE-HELP limit is a lifetime limit and is not reset or “topped up” by any repayments that you make. For the purposes of the lifetime HELP debt limit, FEE-HELP and VET FEE-HELP debts are treated as a single debt known as the accumulated HELP debt. This means that any amount you borrow under either FEE-HELP or VET FEE-HELP will reduce your FEE-HELP balance until you have reached the FEE-HELP limit.

The options available for paying tuition fees or student contributions depend on the student's eligibility for a HELP loan. If the student has an approved loan they have the option to:

- pay the full tuition fee or student contribution up-front
- pay some of the tuition fee or student contribution up-front and request a loan for the remainder of their tuition fees
- request a HELP loan for the full tuition fee or student contribution amount.

Note: Subject to the passage of legislation, from 1 January 2014, the Australian Government will remove the upfront HECS-HELP discount of 10% for eligible students that pay their student contributions upfront and the voluntary HELP repayment bonus of 5%.

3.5.2 HELP loan repayments:

HELP debts are indexed on 1 June each year and repayments occur on one of two ways:

- **Compulsory payments through the Australian taxation system:** Students start repaying their HELP debt to the Federal Government through the Australian Taxation system once they reach the minimum income threshold level for repayment. The repayment thresholds are adjusted each year to reflect any changes in average weekly earnings.
- **Voluntary repayments to the Australian Taxation Office:** Students can make voluntary repayments to the Australian Taxation Office at any time and for any amount.

It is important to be aware that the Australian Taxation Office (ATO) will no longer be sending out a yearly ATO statement to students. All students are responsible for keeping track of their debt at the ATO. For more information please visit www.ato.gov.au

Note: Subject to the passage of legislation, from 1 January 2014, the Australian Government will remove the upfront HECS-HELP discount of 10% for eligible students that pay their student contributions upfront and the voluntary HELP repayment bonus of 5%.

3.5.3 Provision of a Tax File Number

If a student is applying for any kind of HELP loan for study at RMIT, they will need to supply a valid Tax File Number. If a Tax File Number is not supplied on or before the census date, the student will need to pay the student contribution or tuition fee in full on or before the census date.

If a CSP student does not pay the entire student contribution amount up-front and has not provided a valid Tax File Number on or before the census date, RMIT is required by federal government legislation to cancel the student's enrolment. RMIT does not have any discretion with this matter and cannot accept an up-front payment after the census date.

If a CSP student who is not eligible for HECS-HELP assistance fails to pay their student contribution amount in full by the census date, RMIT is required by federal government legislation to cancel the student's enrolment. RMIT does not have any discretion with this matter and cannot accept an up-front payment after the census date.

3.5.4 Eligibility for HELP programs

To be eligible for HELP a student must be one of the following:

- an Australian citizen who will undertake, in Australia, at least one unit (subject) of study contributing to their course of study;
- a holder of a permanent humanitarian visa who will be resident in Australia for the duration of the unit; or
- a holder of a permanent residency visa who is undertaking bridging study for overseas-trained professionals and will be resident in Australia for the duration of the unit.

3.5.5 Ineligibility for HELP programs

Other domestic students such as New Zealand citizens and Australian permanent residents (other than holders of a permanent humanitarian visa) are not eligible for HELP. These students must pay their student contribution or tuition fee in full by the census date. If a CSP student who is not eligible for HECS-HELP assistance fails to pay their student contribution amount in full by the census date, RMIT is required by federal government legislation to cancel the student's enrolment. RMIT does not have any discretion with this matter and cannot accept an up-front payment after the census date.

3.6 Higher Education – domestic and international full fee paying

3.6.1 Program fees and charges

RMIT offers a number of undergraduate, postgraduate and research places to students that are not supported by the Commonwealth Government. The tuition fees for these programs are set on an annual basis and may be subject to change each calendar year.

Under HESA, the tuition fees for all Higher Education full-fee paying programs must be greater than or equal to the current year's maximum 'Student Contribution Amount' for the program; the fees for all of RMIT's domestic fee-paying programs have been set above the respective maximum student contribution amount. Appendix 1 provides a list of the average annual 2014 tuition fees for all local undergraduate and postgraduate full-fee paying programs.

3.6.2 Capping of research tuition fees

All international onshore candidates undertaking research programs at RMIT are levied tuition fees based on the nature of their program. From 1 January 2014, a new structure and enrolment model will be implemented for research programs that will see all full-time (FT) candidates enrolled in 48 credit points per semester, and all part-time (PT) candidates enrolled in 24 credit points per semester. Candidates will be charged a tuition fee based upon their actual enrolled load. Therefore, there will no longer be a requirement to separately cap research tuition fees. It is the responsibility of the candidate to ensure that they are enrolled in the correct load for their respective enrolment type (FT or PT).

3.6.3 Changes to fee-paying domestic undergraduate places

From 1 January 2009, fee paying domestic undergraduate places are being phased out of public universities.

Please note: Postgraduate programs are unaffected by this announcement and will continue to be offered to domestic students on a fee-paying basis.

New domestic students

With the exception of the Associate Degree in Aviation, there will be no full-fee places offered to new domestic students in undergraduate programs through VTAC (Victorian Tertiary Admission Centre).

Current fee-paying Australian students

Students who are currently enrolled in full-fee Australian undergraduate places can continue to complete their degree as a full-fee student.

Exemptions

There are some exemptions to the Government's prohibition on new full-fee undergraduate places that will affect a very small number of applicants and students. These include applicants who:

- are enrolling in a full-fee Spring or Summer School course;
- are enrolling in a bridging course for overseas trained professionals;
- are enrolling in a unit that forms part of a course of study that is subject to determination by the Minister specifying that a student cannot be enrolled as a Commonwealth supported student;
- have commenced their course of study as an overseas student and become a domestic student part way through their course; or
- do not fall into the above categories but who wish to apply for a full-fee place.

Such applicants are required to apply directly to RMIT's admissions department for a full-fee place.

3.6.4 International onshore students

The Commonwealth does not contribute to educational costs for international students unless the students are in receipt of an International Postgraduate Research Scholarship. Furthermore, Commonwealth grant amounts provided to universities for the education of domestic students are not provided for the purpose of subsidising places or services for international students.

The fees charged to international onshore students must be greater than or equal to a minimum indicative fee specified by the Commonwealth. All RMIT fees have been set above these minimum requirements. Appendix 2 of this document lists the 2014 fees for international onshore students.

3.6.5 International offshore students

RMIT University does not set fees for the majority of international offshore students enrolled at a partner institution. All tuition fees and charges for international offshore students are established by the relevant offshore partner.

3.6.6 RMIT International University Vietnam

Australian and New Zealand citizens studying at RMIT International University Vietnam (RMIT Vietnam) are subject to the fees and charges detailed in the RMIT Vietnam *Schedule of fees and charges* (www.rmit.edu.vn).

3.6.7 Change in citizenship or immigration status

International students who change residency during the course of their study, and become an Australian citizen or permanent resident, may be entitled to pay fees at the same rate as local fee-paying students (if they are not eligible for a Commonwealth Supported Place or Victorian government subsidised place in respect of TAFE students), provided they can show evidence that the change in citizenship or immigration status was granted by the applicable census date and the student submits a *Change of Citizenship/Immigration Status* form to RMIT by the same applicable census date. Please note, depending on the established fees for individual programs, changing citizenship or immigration status may not necessarily result in a reduction in fees.

3.7 TAFE – State Government Supported Places

3.7.1 Refocusing vocational training in Victoria

Tuition fees for a government-subsidised place vary according to each program and are updated on an annual basis.

Appendix 3 provides a list of the average annual 2014 tuition fees, as well as the amount per nominal hour, for all TAFE programs for government subsidised students. This information can also be found at www.rmit.edu.au/programs/fees/tafe2014

Each program aligns to a nationally endorsed training package that is developed by an external industry skills council, or enterprise requiring specific qualifications and training. Training packages are endorsed annually and reviewed regularly to ensure they continue to meet the needs of industry, students and the community. The industry skills council or enterprise may amend a training package during 2014 and RMIT may, in the interest of students, adopt a revised training package. Any variation may result in amendments to the nominal hours of a program, which will be documented in the addendum sheet in the file available at www.rmit.edu.au/programs/fees/tafe2014

3.7.2 Eligibility criteria for government subsidised places

The Victorian State Government provides subsidised places for VET (TAFE) programs provided you meet the eligibility criteria. If you are offered a government-subsidised place you must prove your eligibility to receive the reduced tuition fee before you enrol.

Standard eligibility criteria relate to citizenship, age, prior education, and current year studies. There are additional eligibility criteria for apprentices, and for students undertaking Foundation Skills programs.

More detailed information regarding eligibility is provided on the RMIT website www.rmit.edu.au/programs/apply/tafe/eligibility

3.7.2.1 Asylum Seekers and Victims of Human Trafficking

Asylum Seekers and Victims of Human Trafficking are exempt from the citizenship/residency eligibility requirement for a government-subsidised place, for the duration of their program, or until they withdraw. They must meet all other eligibility criteria for a government-subsidised place.

Asylum Seekers must be confirmed as 'Asylum Seekers' by the Asylum Seeker Resource Centre (ASRC).

Victims of Human Trafficking must be confirmed as 'Victims of Human Trafficking' by the Australian Red Cross (ARC.)

The ASRC and ARC have been provided with a grant to cover the tuition fees levied to eligible students; RMIT will invoice these organisations for the tuition fees on the student's behalf.

3.7.2.2 Single and Teenage Parents Training Initiative

Individuals referred to training under the Single and Teenage Parents Training Initiative as being in the Guaranteed Access Cohort only do not have to meet the eligibility criteria for a government-subsidised place.

Those referred as being in the Secondary Access Cohort must meet all eligibility criteria for a government-subsidised place.

All students referred under this initiative are eligible to enrol in training only at Certificate II level and above, and are entitled to a fee concession on programs up to Certificate IV level, regardless of whether they hold a relevant concession card. Students enrolled in Diploma and Advanced Diploma programs can only access the concession rate if they commenced the program prior to 1 July 2012, otherwise they will pay the government-subsidised rate regardless of whether they hold a relevant concession card.

3.7.3 Calculating the TAFE student contribution for a program or course

TAFE fees for government subsidised places are calculated based on the nominal hours of enrolment. To calculate a student's tuition fees, multiply the total nominal hours for the course or program by the fees per nominal hour for the appropriate program listed in Appendix 3.

Example 1: Tuition fee per nominal hour for one program

A student is enrolled in a diploma program with 700 nominal hours. The tuition fee per nominal hour for the program is \$3.57. Therefore, the tuition fee will be $700 \times \$3.57 = \$2,499$

Example 2: Tuition fee per nominal hour for multiple programs

A student is enrolled in a Certificate IV program with 200 nominal hours and a Diploma program with 300 nominal hours. The fee per nominal hour for the Certificate IV is \$3.50 and the fee per nominal hour for the Diploma is \$4.00

Therefore, the tuition fee will be

$$200 \times \$3.50 = \$700 \text{ (Certificate IV)}$$

$$300 \times \$4.00 = \$1,200 \text{ (Diploma)}$$

$$\text{Total fees: } \$700 + \$1,200 = \$1,900$$

3.7.3.1 Fee exemptions and concessions for students in government-subsidised places

Some students in government-subsidised places may be entitled to an exemption or concession on their tuition fees. This includes students with a Health Care Card or who receive government benefits through Centrelink. The concession fee is 20% of the hourly fee that a provider would have charged a non-concession student in the same government subsidised program.

Applicants who believe they are eligible must submit an *Application for TAFE fee concession and exemption* form and provide supporting evidence of eligibility before an exemption or concession can be provided. Forms are available from and can be submitted to any campus Hub

www.rmit.edu.au/students/hub/locations

3.7.3.2 Diploma and Advanced Diploma students

From 1 July 2009, Diploma and Advanced Diploma students were no longer eligible for TAFE fee concessions. However, in 2011 the Victorian government reintroduced tuition fee concessions for people under the age of 25 enrolled in these programs.

From 1 July 2012, these concessions are no longer available to commencing students. However, continuing students already studying under these arrangements can continue to access the concession until the completion of their program.

Diploma and Advanced Diploma students may be eligible for the VET FEE-HELP loan scheme to defer fees through the tax system (see section 3.5 of this schedule).

3.7.3.3 Tuition fees for Indigenous Students

The *Indigenous Completions Initiative* announced in 2004 has been extended to cover tuition fees for all government-subsidised enrolments of Indigenous students in 2014. Indigenous students who enrol in TAFE programs in 2014 are entitled to the concession tuition fee amount at all program levels.

3.7.4 Eligibility for exemptions and concessions – TAFE

If you are a TAFE student or preparatory (pre-university) student enrolled in a government-subsidised place at RMIT University, you could be eligible to apply for an exemption or concession on tuition fees if you hold a Commonwealth Health Care Card, Pensioner Concession Card or Veteran's Gold Card. Many students are eligible for a Commonwealth Health Care Card, such as low income earners. You can apply for a fee concession each term for each program in which you are enrolled. The concession fee is 20% of the hourly fee that a provider would have charged a non-concession government-subsidised student in the same program.

Concession fees are not available for diploma, advanced diploma, vocational graduate certificate and vocational graduate diploma programs.

Indigenous students can access fee concessions for all TAFE programs.

From 1 July 2012, fee concessions are no longer available for 15 – 24 year olds commencing a diploma or advanced diploma program. Students already studying under these arrangements can continue to access the concession until the completion of their program.

3.7.4.1 Concession, and exemption categories for tuition fees

The following codes are used by RMIT to process TAFE fee concessions and exemptions:

RMIT code	Concession category
HC	Health Care Card holder (or dependent spouse or child of the holder)
PC	Pensioner Concession Card holder (or dependent spouse or child of the holder)
VC	Veteran's Gold Card holder
OT	University discretion
ST	Single and Teenage Parent Training Initiative
AT	Aboriginal / Torres Strait Islander

RMIT code	Fee exemption category
XC	Judy Lazarus Transition Centre / Community-based order

3.7.4.2 Job seeker Concession

As a result of agreed funding arrangements between the Commonwealth Government and the Victorian Government, job seekers undertaking training at Certificate I through to Certificate IV level were exempt from paying tuition fees. This arrangement concluded at the end of 2012. From 1 January 2013, a referred job seeker will be charged the same tuition fees as other students, but may still be eligible for a concession. A referred job seeker is an individual who holds a standard *Job Seeker Referral Form*.

Two concession codes, JJ and JK, were created for this category. These codes will continue to be used for reporting purposes but will no longer result in a tuition fee exemption. Job seekers may still be eligible for a fee concession if they hold a Commonwealth Health Care Card, Pensioner Concession Card or Veteran's Gold Card.

RMIT code	Concession category
JJ	Job Seeker with Concession
JK	Job Seeker without Concession

3.7.4.3 Judy Lazarus Transition Centre / Community based orders

A TAFE provider must not charge a tuition fee for enrolment by a person who is:

- a) a prisoner within the meaning of the *Corrections Act 1986* and from the Judy Lazarus Transition Centre; or
- b) required to undertake the program pursuant to a community based order made under the *Children, Youth and Families Act 2005*.

3.7.4.4 College Discretion (OT)

Authority to grant a college discretion concession is delegated to the Academic Registrar. RMIT is permitted to grant a concession on a tuition contribution where RMIT considers that its collection in full would impose extreme financial hardship. This may include a further concession on, or exemption from, the concession charge. If RMIT grants a concession on a tuition contribution, this is done using the TAFE waiver code "OT" on the *Application for TAFE fee concession and exemption* form. If RMIT grants an exemption from a tuition contribution, this is done by a waiver approved by the Academic Registrar.

3.7.5 Concessions for dependant spouse/child of card holder

For Commonwealth Health Care Cards and Pensioner Concession Cards, concessions that apply to tuition fees apply equally to the holder of the card, their dependant spouse and/or child. "Dependant child" has the same meaning as in the *Social Security Act 1991* of the Commonwealth.

3.7.6 Verification of exemptions and concessions – TAFE

Students are required to complete and lodge an *Application for TAFE fee concession and exemption* form to request a concession or exemption of fees. Students must complete a separate application form for each TAFE program in which they are enrolled. The basis of the exemption/concession should be clearly indicated on the form. Evidence is required from the student to substantiate the application for a concession and must be sighted by the enrolment officer and a copy attached to the application form.

3.7.6.1 Applying for fee concessions

To be assessed for TAFE fee concession eligibility, you are required to complete a 2014 *Application for TAFE fee concession and exemption* form. The application form is available from [the Hub](#) on your campus.

You must meet the eligibility criteria by the first scheduled class in the semester in which you are seeking concession or exemption, and you must submit the form in person at the Hub with your valid Health Care Card, Pensioner Concession Card or Veteran's Gold Card before your first scheduled class start date in the term you are seeking concession.

3.7.7 Change in concession status

Concession fees will only be applied during a term if the eligibility conditions are met and the 2014 *Application for TAFE fee concession and exemption* form is lodged at the Hub prior to your first scheduled class start date.

If a student does not meet the eligibility criteria or the application form is not lodged before their first scheduled class start date, the concession cannot be applied until the following term (subject to eligibility criteria being met for that term).

Further information about concessions can be found at:

www.rmit.edu.au/programs/fees/tafe/concession

3.7.8 Interstate Apprentices and Trainees

For interstate apprenticeships a contract signed between RMIT and the interstate State Training Authority must be in place (NSW has its own procedure for eligible students, see 3.7.8.1 below). The State Training Authorities provide their contract for RMIT to sign. Each apprentice must have a Training Contract signed by their employer that specifies the program and RMIT as the Registered Training Organisation (RTO). More information is available from the RMIT Apprenticeship and traineeships website: www.rmit.edu.au/programs/apps-trainees or at: <http://training.gov.au>

3.7.8.1 New South Wales Apprenticeships

The Victorian and New South Wales Governments, through their respective State Training Authorities, have a Memorandum of Understanding that enables apprentices from either state to enrol at a TAFE institute in Victoria or New South Wales. To be eligible, a NSW apprentice must:

- a) be an apprentice whose training contract is current and registered with the New South Wales Department of Education and Communities;

- b) have approval from the relevant New South Wales State Training Services Regional Office to undertake training with the RTO; and
- c) have commenced training under the apprenticeship with the RTO in 2014, or commenced training under the apprenticeship with the RTO prior to 1 January 2014 and be continuing under the same Contract of Training and same qualification in 2014.

In 2014, NSW apprentices will be charged at the same rate as Victorian government-subsidised students in the same program.

Note: NSW State Training Services advises (for apprentices) that where TAFE NSW training exists, approval of interstate funding will not be granted.

Please note that these arrangements may be subject to change during 2014 as NSW implements its "Smart and Skilled" reform agenda in the second half of the year.

3.8 Recognition of Prior Learning (RPL) and Recognition of Current Competency (RCC)

In the TAFE sector it is possible for students to gain formal recognition of their current skills or to receive further training to update or improve their qualifications. RMIT offers two services under this scheme:

1. **Recognition of Prior Learning (RPL)** is a process through which people can gain entry to, or credit in, recognised courses based on competencies gained. The competencies may have been gained through experience in the workplace, in voluntary work, in social or domestic activities or through informal or formal training or other life experiences.
2. **Recognition of Current Competency (RCC)** applies if a client has previously successfully completed the requirements of a unit of competency or module and is now required to be reassessed to ensure that the competence is being maintained.

RPL and RCC do not include any additional training at the unit of competency or module level. If a unit of competency or module has any training activity associated with it then it is not classified as RPL or RCC. Depending on availability, students who require additional tuition before they can achieve recognition for their chosen program may be offered as state government subsidised program or enrol in a fee for service program.

At RMIT, RPL and RCC are offered as a separate mode of study that will be available for all TAFE courses based on nationally endorsed units of competency and State Accredited units/modules.

3.9 TAFE RPL Fees for Government subsidised and full fee paying students

RPL is available as a study mode in all RMIT TAFE courses. Students can apply for RPL for all of the courses in their program of study, from a minimum of one course to a maximum of all courses in the program. In 2014, TAFE RPL fees are equivalent to the standard tuition fees for the course(s) for which RPL is sought.

3.10 TAFE international and domestic full fee paying

3.10.1 TAFE international program fees

Appendix 2 of this document tabulates the 2014 tuition fees applicable to students studying under a student visa arrangement (classified as international onshore students).

3.10.2 TAFE tuition fees for Australian Fee Paying Students

RMIT offers a number of places in TAFE programs on a full fee paying basis. Students who are ineligible for a state government-subsidised place or who are repeating a government-subsidised course may enrol as full fee paying students. The tuition contribution, concessions or exemptions outlined in section 3.7 do not apply to full fee enrolments. Appendix 3 provides a list of the average annual 2014 tuition fees for all TAFE programs for Australian fee paying students.

4 Student services and amenities fees (SSAF)

The student services and amenities fee (SSAF) is used to maintain and enhance services and amenities that improve your experience as an RMIT student.

Fee rates are determined by the Federal Government and set on an annual basis.

In 2014, Higher Education and Foundation Studies students will be charged on a pro-rata basis at the rate of \$2.93 per credit point for each course you are enrolled in, up to a maximum of \$281 for the year.

TAFE and VCE students will be charged on a pro-rata basis at the rate of \$0.40 per nominal student contact hour, up to a maximum of \$281 for the year. If you are a TAFE student and you are eligible for a concession on your tuition fees, you are also eligible for a concession on the SSAF; the concession rate is \$0.08 per nominal student contact hour.

Eligible Higher Education students will be able to defer payment of this fee via the SA-HELP scheme.

For further information, refer to www.rmit.edu.au/programs/fees/ssaf

4.1 Students charged the SSAF in 2014

You will be charged the SSAF if you are an onshore student and are charged a tuition fee by the University.

This includes:

- exchange students (i.e. RMIT students studying at an overseas institution with which RMIT has a formal reciprocal agreement); and
- OUA students enrolled in an RMIT Commonwealth supported place.

4.2 Students not charged the SSAF in 2014

- Research students in a Research Training Scheme place
- Offshore students (i.e. students studying at an RMIT partner institution outside Australia)

- Exchange students coming to RMIT from another institution
- Cross institutional students, including:
 - inbound students studying at an RMIT campus in Melbourne
 - outbound students (i.e. RMIT students attending another institution in Australia).
- Study Abroad students, including:
 - inbound students studying at an RMIT campus in Melbourne
 - outbound students attending an overseas institution with which RMIT has no formal reciprocal agreement
- OUA students enrolled in full-fee places
- ELICOS students enrolled through RMIT English Worldwide
- Industry sponsored students pursuant to the terms of their individual agreements
- TAFE students in the categories/programs below:
 - Asylum seekers/victims of human trafficking
 - Training Places for Single and Teenage Parents
 - National Workforce Development Fund
 - Workers in Transition Program.

5 Material fees

Material fees include fees or charges associated with field trips or goods that are used to produce items that become the physical property of students. These fees are not compulsory and students may choose to purchase these items independently. The material fee schedule is made available at the time of enrolment and material fees may only be levied with a student's signed consent.

The fees approved for 2014 have been reviewed to ensure consistency with the above principles. Appendix 4 provides a list of the material fees for 2014. Material fees are also published on the website www.rmit.edu.au/programs/fees/other

Material fees for VET/TAFE courses eligible for VET FEE-HELP are now required to be compliant with identical fee provisions to those that govern Higher Education under the Higher Education Support Act (HESA). The general principle governing material fees is that students must be able to complete their chosen award without paying additional course related charges.

Schools are authorised to charge material fees if the charge falls under one of the following categories:

1. The fee is for a good or service that is not essential for the completion of the program/course.
2. The fee is for an alternative form or access of a good or service that is an essential component of a course or program, but is otherwise readily available at no additional charge from RMIT.
3. The fee is for an essential good or service that the student has the choice of acquiring from a supplier other than RMIT and is for:
 - Equipment or items that become the physical property of the student and that are not consumed during the course of study; or
 - Food, transport and accommodation costs associated with the provision of field trips.

Providers may collect a fee for a service imposed and charged by a third party. For example, first aid certificates, criminal record checks and immunisation costs.

6 Administrative fees

RMIT has a number of administrative fees to cover specific additional services provided to students. In addition, a number of fees have been approved that can be levied against a student's account as a fine or penalty when university regulations are broken, or borrowed goods are not returned. These fees are principally levied as a disincentive. Although the majority of fees and charges are levied via the student administration system (SAMS) for practical reasons, some administrative fees are levied outside of this system (i.e. car parking fees and fines).

Appendix 5 details a full list of administrative fees and charges. Administrative fees are also published on the website www.rmit.edu.au/programs/fees/other. For some administrative fees and charges, information about how they will be levied is noted below.

6.1 Late enrolment fee

Higher Education Students who enrol after their scheduled re-enrolment date may be charged a late enrolment fee.

Failure to enrol by scheduled time/date: Unless prior alternative arrangements have been negotiated with the relevant College/School, Higher Education students who fail to enrol by the specified time and date, and who subsequently receive approval to re-enrol late, will incur a late enrolment fee of \$175.

The late resolution of any outstanding debts will not be considered as justification for waiving the late enrolment fee (\$175). Appeals against the \$175 late enrolment fee must be directed to the Academic Registrar in writing with documentary evidence (e.g. medical certificate) in support of the student's application. Detailed information is available at www.rmit.edu.au/students/enrolment/late

ADM43 Late Enrol Fee – SEH (Science, Engineering and Health College)

ADM44 Late Enrol Fee – DSC (Design and Social Context College)

ADM46 Late Enrol Fee – BUS (Business College)

6.2 Fines and charges fees

6.2.1 Library loans

To ensure fair access to RMIT resources for all Library users, fines and penalties apply for the late return of items. Library users can help make the borrowing service work well for everyone by returning or renewing items by their due date.

If a library borrower does not renew or return the items by their due date:

- The library user's borrowing privileges will be suspended at all RMIT University Library sites, and as such, will not be able to renew, pick up holds or borrow from our Libraries.
- The library user will be fined \$0.50 per item for each day the item is overdue (to a maximum of \$65 per item) (ADM16 Library Admin Fee)

Long overdues:

If an item becomes more than 6 months overdue the item will be deemed lost and an invoice for the replacement cost per item will be forwarded to the user (AF1 Library Material Replacement). The replacement cost is based on actual costs as defined by the library. The user will also be charged the overdue amount (ADM 16).

For more information, refer to www.rmit.edu.au/library/borrowing/overdues

6.2.2 Car parking fees

The following fees apply for annual parking permits, half year parking permits and daily parking fees for students at the Bundoora and Brunswick campuses. (Please note that the fees for 2 x half year parking permits are greater than the fee for an annual parking permit.)

<i>Campus</i>	<i>Annual Parking Permit</i>	<i>Half Year Parking Permit 01.01.2014 – 30.06.2014</i>	<i>Half Year Parking Permit 01.07.2014 – 31.12.2014</i>	<i>Daily Parking Permit</i>
Brunswick	QP7 \$180.00	QP9 \$110.00	QP9.2 \$100.00	ADM21 \$7.00 per 5 hours
Bundoora	QP6 \$180.00	QP8 \$110.00	QP8.2 \$100.00	ADM20 \$7.00 per day

6.2.3 Car parking fines

The Victorian Government under the Road Safety Act 1986 and Road Rules Regulations 1999 has authorised RMIT to issue parking infringements notices. These are detailed in Appendix 5.

6.3 Special administrative services

Enrolled students of RMIT will receive administration services (such as, confirmation of enrolment, liability statements) without charge for details of their current enrolment, and will receive other administration services without charge (such as an award transcript after conferral of an award). The additional special services listed in this section may be provided on application.

6.3.1 Special services (requested from the Hub)

<i>Item</i>	<i>Fee</i>
QP4 Transcript fee (charged when student requests a transcript; not charged for complimentary transcripts issued by RMIT)	\$20
QP18 Postage fee for sending students transcripts if express post is requested	\$10
ADM5 Replacement certificate/testamur	\$130
ADM6 Replacement/additional statement of certificate of academic completion	\$30
QP2 Replacement of current student ID card	\$20
ADM22 Duplicate receipt	\$6
ADM30 Duplicate of official Commonwealth Assistance Notice	\$12
ADM31 Letter to employer re: Student Contribution Amount details	\$20
QP3 Postage of Transcripts to Overseas destinations	\$25
ADM51 Courier of Transcripts overseas – zone 1 (New Zealand)	\$50
ADM52 Courier of Transcripts overseas – zone 2 (Asia Pacific except NZ)	\$100
ADM53 Courier of Transcripts overseas – zone 3 (rest of the world)	\$150
ADM117 Interim statement of academic completion provided to students	\$20
ADM120 RIIERP application fee	\$75
ADM137 Letter request fee	\$20
ADM145 Letter – Academic performance requests. Fee for letters requested by students and job networks for academic performance information.	\$75
QP1 Locker Key Deposit	\$20

6.3.2 Administrative fees applying to international full fee paying students

A non-refundable application fee (ADM14) is payable by all International students who apply to undertake an RMIT program. In addition, an International student may request an additional administrative service of an airport pick up (ADM12) or home stay placement (ADM11) on their arrival in Melbourne.

These and other special administrative charges for international students are noted in the following table:

<i>Item</i>	<i>Fee</i>
ADM14 Application fee for prospective students who submit a paper-based application (online application is free).	\$100

<i>Item</i>	<i>Fee</i>
ADM15 Transfer or withdrawal from program – Fee charged is determined by transfer or withdrawal date as per refund policy.	\$500
ADM12 Airport Pick Up Airport Pickup service (for students only studying ELICOS). Note: \$70 is charged to students who request the airport pickup service but do not use it. More information at: www.rmitenglishworldwide.com/arrivalservices.html	\$80
ADM11A Homestay Placement Fee (International Services)	\$220
ADM66 Withdrawal from English Language program (ELICOS) RMIT English Worldwide ELICOS withdrawal fee. More information at: www.rmitenglishworldwide.com/refundpolicy.html	\$200
ADM67 ELICOS enrolment fee RMIT English Worldwide ELICOS Enrolment Fee. More information at: www.rmitenglishworldwide.com/elicosdates.html	\$230

6.3.2.1 Overseas Student Health Cover (OSHC)

All international students holding an Australian student visa are required to maintain valid Overseas Student Health Cover (OSHC) with an approved OSHC provider.

You will not require OSHC if you are:

- a Norwegian student covered by the Norwegian National Insurance
- a Swedish student covered by the National Board of Student Aid or by Kammarkollegiet
- a Belgian student covered under the Reciprocal Health Care Agreement with Australia
- studying for less than three months on a visitor or tourist visa. You will not be eligible for OSHC and are advised to purchase Overseas Visitors Health Cover or comprehensive travel insurance.
- an Australian government scholarship student

If your OSHC has expired or is due to expire, you can speak to staff at the International Desk at the Info Corner located on Level 1 at RMIT Building 22, 330 Swanston Street, Melbourne.

Further information about OSHC can be found on the International fees web page:

www.rmit.edu.au/international/fees

6.3.3 Administrative fees applying to Open Universities Australia (OUA) students

RMIT offers a select number of courses and programs through OUA. OUA is a collaboration of seven Australian Universities, including RMIT, and its programs are delivered by 20 academic providers. OUA courses studied at RMIT may lead to either a RMIT or partner University qualification, with the RMIT award identical to those awarded to non-OUA students at RMIT. For more information about OUA please visit its website www.open.edu.au

Currently, OUA students are charged tuition fees directly by OUA, not RMIT. RMIT charges fees to OUA students directly for additional services provided to OUA students. The following fees are applicable for the 2014 year:

<i>Item</i>	<i>Fee</i>
OUA - Degree Registration Fee (ADM81 BUS, ADM82 SEH, ADM83 DSC)	\$100
OUA - Credit Transfer Fee (ADM84 BUS, ADM85 SEH, ADM86 DSC)	\$50
OUA – Combined fee for assessment of credit and registration (ADM 142 DSC, ADM143 SEH, ADM144 BUS)	\$150

7 Childcare Centre fees

RMIT provides a childcare service to students via the City Campus Children's Centre. The following fees and fines apply to this service:

Childcare fees (student parents)	\$91 per day	\$410 per week
Fee for late collection of children after 5:45 pm	\$10 for every five minutes or part thereof	

Failure to pay these fees by the due date may result in the application of penalties, or the withholding of services as outlined in section 8 below.

8 Debtors – overdue balance and penalties

Students who have failed to pay all of any RMIT approved charge may not be permitted to re-enrol, enrol in other programs, participate in graduation ceremonies or receive an award until the debt is cleared.

RMIT reserves the right to provide student details to an external agent for the purpose of collecting any debts. Any additional costs associated with this process are payable by the student.

8.1 Fees for late payment

8.1.1 Overdue charges penalty

Invoiced fees must be paid in full by the due date as prescribed on the invoice. If a student's fees and charges have not been paid in full by the invoice due date, an overdue charges penalty (QP14) of up to \$250 may be charged, per invoice, in line with the standard penalty fee charged by Australian universities.

The overdue charges penalty applies to all types of RMIT fees and charges, except for those listed in section 8.1.3 Exceptions.

8.1.2 Instalment (payment plan) default

Where a student has entered into an arrangement with the University to repay a student loan or to pay their financial liability over a period of time by instalment and the student fails to honour this arrangement, an overdue charges penalty (QP14) may be applied for each instalment that is not paid when due, and a Negative Service Indicator (see 8.2) may be applied against their account.

8.1.3 Exceptions

This penalty does not apply to Higher Education Commonwealth Student Contribution (HECS), which cannot be overdue. A student's enrolment must be cancelled if they fail to either provide a tax file number or pay their Student Contribution in full by the census date.

8.2 Negative service indicators

Students with an outstanding financial obligation overdue by a period exceeding 21 days or otherwise advised may have a "Payment Overdue" negative service indicator (NSI) applied against their account. A negative service indicator may limit the student's access to library and computer services along with preventing a student from graduating, re-enrolling or receiving a transcript of results. It is important, therefore, that students contact staff in the Hub promptly if they believe their invoice or account is incorrect to ensure the NSI is not activated.

8.3 Payment plans

A tuition fee payment plan may be granted to eligible students in exceptional circumstances. Students who meet the eligibility criteria for a Commonwealth loan scheme are ineligible for a payment plan. Continuing students who wish to be considered for a payment plan must provide supporting documentation to the Hub as soon as possible and prior to the original invoice due date. All applications must be accompanied by a minimum deposit of 50% of the total invoiced charges. Where a payment plan has been granted and the fees are not paid by the agreed date/s, late payment fees may be imposed.

9 Payment of fees and charges

You will receive a tax invoice listing your fees and charges at the start of each semester:

Summer - January
 Semester 1 - February
 Semester 2 - June
 Spring - November

You will receive an invoice in the following month if you vary your enrolment. All tax invoices will be provided as online statements in Enrolment Online, accessible via [myRMIT](#). A notification email will be sent to your RMIT student email account when your tax invoice is available to view online. Your tax invoice will also be posted to your registered mailing address.

For further information about tax invoices, refer to www.rmit.edu.au/students/taxinvoice

For information about fee payment options, refer to www.rmit.edu.au/students/payment

10 Discounts, fee waivers and scholarships

The Higher Education Support Act (2003) does not permit universities to apply discounts or waive tuition fees for fee-paying students. The only exception to this requirement is in the instance of local Research students who may be on a HECS-exemption scholarship funded by the Commonwealth's Research Training Scheme. However, universities may award fee-paying students a scholarship to pay all or part of their tuition fees.

10.1 Authorisation/approval of partial scholarships

Applications for a partial scholarship are only permissible if the *Tuition fee partial scholarship* form is completed, approved and signed-off by the Head of School (funding the scholarship) and approved by the Pro Vice-Chancellor of the relevant College. Partial scholarships can be granted on the basis of compassionate, marketing, staff and other grounds. More information on partial scholarships is available online: www.rmit.edu.au/fs/studentfees/partial_scholarships (staff login required).

10.2 Scholarships

A wide range of scholarships are available to assist students while undertaking study at RMIT. Many of these have been established to provide assistance to students in specific circumstances.

For further information, please contact the Scholarships Office or visit the website www.rmit.edu.au/scholarships

11 Refund rules

11.1 RMIT University refunds

The refund rules for RMIT observe the ESOS (Education Services for Overseas Students) Act 2000 and Regulations 2001, the Higher Education Support Act 2003 including Schedule 1A VET FEE-HELP Assistance Scheme and are in accordance with Ministerial Directives from Higher Education and Skills Group. These rules apply equally to all new and re-enrolling students unless otherwise stated. These rules are based on the following assumptions:

- The funds for the refund must be available (cheques are cleared, telegraphic transfers have been received); and
- Any fines or other incidental fees incurred during enrolment or engagement with RMIT must be paid in full.
- The acceptance of the refund rules, and the availability of complaints and appeals processes, does not remove the right of the student to take action under Australia's consumer protection laws.

11.2 Refund application process

Students who lodge their application to withdraw on or before the census date for a course (unit of study) will be withdrawn or granted a deferral without penalty and will not incur a HELP debt for that course (unit of study). Local or re-enrolling international students who have paid their fees up-front and wish to have their tuition fees refunded must do so by lodging an *Application for Refund of Fees* and supporting documentation at one of RMIT's Student Hubs or via email to thehub@rmit.edu.au

A commencing international student must lodge an *Application for refund of fees* and supporting documentation at International Services or via email to ISRefunds@rmit.edu.au

If a refund is to be provided to a third party, this must be specified in or with the student's application.

The *Application for Refund of Fees* form can be obtained from the Hub, or from the Fees and government charges section of the student forms web page www.rmit.edu.au/students/forms

11.3 Payment of refund

Applications for refunds may take 2–3 weeks to process (earlier, if specifically required by legislation). Refunds must be requested in writing under the applicant's signature, and supported by production of a valid offer letter. Where a sponsoring body or scholarship agency pays the student's fees, any refund will be paid to that sponsoring body or scholarship agency.

Refund method is via direct credit to the nominated student bank account (or that of an alternative party if the student's fee liability was assumed by a third party).

11.3.1 Definition of returning and commencing students

For the purposes of these rules, a student is defined as a commencing student if they are enrolling in a particular program for the first time with RMIT or, in the case of offshore students articulating to onshore, when they commence their studies in Australia.

A student is defined as a returning student if they are re-enrolling in a program in which they have already undertaken study at RMIT.

11.3.2 Refunds for domestic students and returning international students

This section outlines the refund rules that apply to all domestic students, and to returning international students. (The section 11.3.4 outlines the refund rules for commencing international students.)

Census date

The census date is a predetermined date for a course (unit of study). Students who lodge their application to withdraw on or before the census date for a course (unit of study) will be withdrawn or granted a deferral without penalty. All associated tuition and SSAF fees will be refunded in full. Students who withdraw from a course (unit of study) on or before the census date will not incur a HELP debt for that course (unit of study). Compliance with this deadline is necessary for RMIT's funding and legislative reporting. Accordingly, any enrolment changes following the relevant census date will not change the financial status of a student's enrolment except where the student has lodged a successful application for re-crediting a FEE-HELP balance.

RMIT publishes census dates on the website www.rmit.edu.au/students/importantdates

Refund calculation

Tuition fees are calculated according to a student's enrolled load. The following table lists the refund a student is entitled to before and after the census date:

	Before census date ³	After census date ⁴	Notes
Program withdrawal, failure to meet offer letter conditions	100%	0%	

	Before census date³	After census date⁴	Notes
Program withdrawal, following leave of absence	100%	0%	The appropriate withdrawal form and any supporting documentation must be submitted along with the refund application.
Program withdrawal	100%	0%	
Domestic TAFE Program withdrawal and transfer to another education institution	100%	0%	
Program deferral	100%	0%	
Permanent residency status is granted	100%	0%	Refer below
RMIT cancels program or program ceases to be provided	100%	100%	For international students, refunds will be paid in accordance with the provisions of the ESOS Act 2000 and the ESOS Regulations 2001. Refunds will be made within 2 weeks after RMIT cancels program or program ceases to be provided. Alternatively, the student may be offered and accept enrolment in a suitable replacement program at the same cost.
RMIT has not provided program in full	100%	100%	For international students, where the program is not provided in full due to sanctions as per ESOS Act Part 6, refunds will be paid in accordance with the provisions of the ESOS Act 2000 and the ESOS Regulations 2001. Refunds will be made within 2 weeks after RMIT cancels program or programs ceases to be provided. Alternatively, the student may be offered and accept enrolment in a suitable replacement program at the same cost.
Visa application is refused – international students	100% less administration fee	100% less administration fee	Documentary evidence of the refusal from Department of Immigration and Citizenship (DIAC) must be provided along with the refund application. An administration fee will apply.
Reduction of enrolled load (credit points/ nominal hours)	100% of dropped course's fees	0%	
Overpayment	-	-	Overpayments in credit in a student's account may be refunded.

Special circumstances

If you withdraw for a unit after the census date because you become seriously ill or because of other “special circumstances”, you can apply to your provider to have your HELP debt remitted (and your FEE-HELP balance re-credited if applicable). To remove any HELP debt, re-credit your FEE-HELP balance and refund any up-front payments, your provider must be satisfied that “special circumstances” applied to you. You should check with the student administration area of your provider about how to apply for special circumstances. For a provider to be satisfied that special circumstances apply, you need to demonstrate that the circumstances:

- were beyond your control;
- did not make their full impact on you until on or after the census date(s) of the unit(s) in question; and
- were such that they made it impracticable for you to complete the requirements for the unit(s).

Your provider will assess your application in accordance with the requirements of the Higher Education Support Act 2003 and its associated guidelines. You will need to provide independent supporting documentation to support your claim that special circumstances occurred. Note: You cannot apply to have your debt remitted under special circumstances if you have successfully completed the unit.

11.3.3 Refund rules for International Students

International students granted a payment plan for their current semester, who then withdraw after the census date in their current semester, are not eligible for a refund of tuition or student union fees for that semester. In addition, students will remain liable for any amounts unpaid.

Withdrawal from a program following census date, due to exceptional circumstances may be accepted as grounds for a full or partial refund of any pre-paid tuition fee, subject to the provision of acceptable documentary evidence, at the discretion of the Academic Registrar.

No refund will be granted if an international onshore student has their visa cancelled by the Department of Immigration and Border Protection (DIBP) for a breach of visa conditions. No refund will be granted if an international onshore student is suspended or excluded from RMIT University due to misconduct.

Student visa

RMIT will report all international students who do not have a current enrolment to the Department of Immigration and Border Protection (DIBP). Student visas may be terminated based on this information. If a visa extension is refused, students may incur an administration fee of \$500.

Permanent residency

International students who are granted permanent residency will be eligible for a refund of all international tuition fees if Permanent Residency Status is granted by the applicable census date and the student submits a *Change of Citizenship/Immigration Status* form to RMIT by the same applicable

census date. Students granted a domestic full fee paying or Commonwealth Supported Place may have their pre-paid fees credited to their account.

International students who are granted Permanent Residency after the applicable census date will not be entitled to a refund for the current semester. International tuition fees paid for future semesters will be refunded 100%.

A student whose residency status changes, must inform RMIT of the change by the applicable census date through the lodgement of a *Change of Citizenship / Immigration Status* form at a Hub location, to ensure their status is amended within the University's student administration database.

11.3.4 Refunds for commencing International Students

By accepting a full fee international student place at RMIT, an international student enters into an agreement with RMIT for a study program. This agreement is for the period of the expected duration of the student's program, or duration of programs, for an offer of more than one program. This agreement means there is an obligation on the student's behalf to pay the published program fees throughout the student's enrolment.

The following table details the standard refund rules that apply to commencing international students:

Refund Category	Specific Grounds that meet eligibility for a full refund. <i>(See note 1)</i>	Student withdraws acceptance more than 4 weeks before program commencement date	Student applies for a refund less than 4 weeks before program commencement date	Student applies for a refund within 4 weeks after program commencement date	Student applies for a refund more than 4 weeks after program commencement date, OR visa cancelled.
Refund Amount	100% refund of monies paid. An administration fee of \$500 may be charged.	100% refund of monies. An administration fee of \$500 may be charged.	Monies paid less 50% of standard deposit.	Monies paid less 50% of first semester program tuition fee	No refund

Notes:

1. Categories for full refund are:

- Australian Government has refused to grant initial visa for study in Australia prior to entry;
- The offer of a place is withdrawn because conditions within the offer letter have not been met. If the offer was made on the basis of incorrect or incomplete information being supplied by the applicant or student, students may be charged a \$500 administration fee.
- RMIT is unable to provide the program or the program does not start on the agreed start date. The administration fee will not be charged. Refunds will be paid in accordance with the

provisions of the ESOS Act 2000 and the ESOS Regulations 2001. Refunds will be made within 2 weeks after RMIT cancels program or the programs ceases to be provided.

- Student obtains permanent residency by census date (and has been offered CSP or fee-paying place and submits a *Change of Citizenship/Immigration Status* form to RMIT by the same applicable census date).

- A notice of withdrawal due to exceptional circumstances of a compassionate nature.

2. Australian Government has rejected a visa extension - students may be charged a \$500 administration fee.

3. Students who apply to transfer to another RMIT program after no more than 2 weeks from the program commencement date may be charged a \$500 administration fee. (Any available credit balance after the deduction of the administration fee will be applied to the other program's tuition fees.)

4. Overseas Student Health Cover (OSHC) and application fees are non-refundable. Students must apply for an OSHC refund direct to their health cover provider.

5. Executive discretion may be exercised to consider applications which do not comply with the above provisions, but for which extraordinary circumstances may exist. Application for a refund in special circumstances must be made in writing and sent to the Director, International Services.

Proof of payment of the fees (e.g. an official receipt) and validation of the reasons for applying for a refund will be required.

6. Any further appeal to the decision made by the Director, International Services, may be directed to the Deputy Vice-Chancellor (International and Development) should this be necessary.

11.3.4.1 RMIT English Worldwide – refunds

RMIT English Worldwide (REW) will refund tuition fees in special circumstances. The following reasons are considered grounds for a refund:

1. If the Australian Government has refused to grant a visa:
 - a) The refund amount will be tuition fees in full (excluding the enrolment fee).
 - b) The refund will be made within 28 days (or 4 weeks) of receiving a student's refund application together with a copy of the Australian Embassy rejection letter.
2. If REW withdraws the offer or is unable to proceed with the program applied for (i.e. if the program does not start on the agreed starting day or if the program is stopped after it starts and before it is completed):
 - a) The refund amount will be tuition fees in full (including the enrolment fee).
 - b) The refund will be made within 14 days (or 2 weeks) after the agreed program commencement date in such cases.
3. If the application for a refund is received more than 28 days (or 4 weeks) before the enrolment date of the course:

- a) The refund amount will be all fees less the enrolment fee and a cancellation fee of \$200.
 - b) The refund will be made within 28 days (or 4 weeks) of receiving a student's written application.
4. If the application for a refund is received less than 28 days (or 4 weeks) before the enrolment date of the course:
- a) The refund amount will be 50% of the total tuition fees paid (or no more than 12 weeks tuition fee) excluding the enrolment fee.
The refund will be made within 28 days (or 4 weeks) of receiving a student's written application
5. In extraordinary circumstances REW executives may exercise discretion, when refund requests which do not comply with the points listed above are received. Examples may include but are not limited to:
- natural disasters necessitating the return of the student to the home country;
 - major political upheaval in the home country requiring emergency travel and this has impacted on the student's study;
 - severe and unmanageable medical conditions of the student;
 - cultural or religious imperatives

Documented evidence is required with the application and the Director's decision is final in all cases.

REW will not refund fees if:

- The program has commenced.
- The student is reported to the Immigration Department for breach of visa conditions and has his/her visa cancelled.
- The student is excluded on the grounds of unacceptable behaviour.

The refund policy does not remove a student's right to take further action under Australia's consumer protection laws. While all applications for refunds will be dealt with according to the stated policy and the National Code of Practice (ESOS Act 2000), this does not remove a student's right to pursue legal remedies. Students who are not satisfied that refund procedures have been followed as published have recourse to the RMIT English Worldwide Complaints and Appeals procedure at no cost. The Centre will maintain the student's enrolment during the appeals period.

11.3.4.2 Tuition Fee Refund Procedure

1. All applications for refunds must be made in writing to the Director, REW Melbourne Language Centre and emailed to REWStudent.Services@rmit.edu.au or delivered to the REW Student Services Reception.
2. Refunds will be made in Australian currency (AUD) and refunded to the student or appointed beneficiary (evidence must be provided with the application). This will be processed as a bank transfer unless otherwise requested.

11.3.4.3 Tuition Fee Transfer Policy

1. No transfers of tuition fees will be made to another English language centre unless REW is unable to proceed with the program.
2. Students may transfer the balance of their tuition fees to a formal award program at RMIT University or another formal award institution if:
 - a) The transfer conditions are in accordance with government requirements, and;
 - b) The student produces evidence of a non-conditional offer letter and written notice is given 28 days prior to the commencement of the next module of the program.
3. If students are approved for transfer to RMIT or another formal award institution, an administration fee of 20% of the remaining fees will be charged.
4. Transfer of fees will occur within 28 days of written notice.

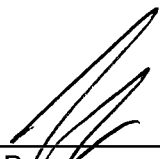

12 Financial liability will remain until enrolment is cancelled

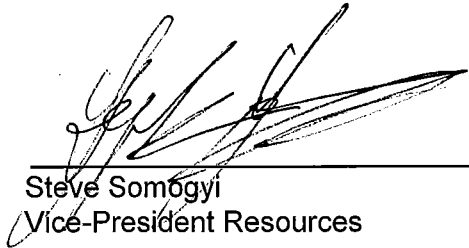

The financial liability of a student's enrolment will remain unless an *Enrolment Variation, Leave of Absence or Cancellation of Enrolment* form, or enrolment variation using Enrolment Online is completed and lodged by the appropriate date.

Withdrawal from a course using Enrolment Online, lodgement of an approved *Enrolment Variation, Leave of Absence or Cancellation of Enrolment* form with RMIT University or RMIT English Worldwide are the only mechanisms to withdraw from a course or program of study. Failure to lodge the appropriate request before the deadline will result in the tuition liability remaining and the appropriate debt recovery actions will be enforced.

Approval

RECOMMENDED  _____ Date 16/12/13
Stuart Donaldson
Executive Director (Financial Services)

ENDORSED  _____ Date 16/12/13
John Barnes
Acting Deputy Vice-Chancellor (International & Development)

15 Appendix 3 – TAFE Tuition Fees for Australian government-subsidised and full fee-paying places

- Nominal hours may vary depending on electives chosen by student.
- Tuition fees are indicative only and subject to change given individual circumstances at enrolment. Additional fees may apply such as student services and amenities fees.
- Diploma and advanced diploma students are no longer eligible for a concession or exemption of tuition fees. Aboriginal/Torres Strait Islander students can continue accessing concession rates at all program levels (including diploma and advanced diploma).
- VET FEE-HELP is available to eligible students undertaking diploma and advanced diploma courses.
