Acknowledgement of Country

RMIT University acknowledges the people of the Woi wurrung and Boon wurrung language groups of the eastern Kulin Nations on whose unceded lands we conduct the business of the University. RMIT University respectfully acknowledges their Ancestors and Elders, past and present.

RMIT also acknowledges the Traditional Custodians and their Ancestors of the lands and waters across Australia where we conduct our business.

Artwork: *Luwaytini* by Mark Cleaver, a proud Palawa person and RMIT Master of Human Resource Management student.

A message from the Vice-Chancellor Professor Alec Cameron

RMIT is an international university of technology, design and enterprise. Our mission is to empower people and communities to adapt and thrive across generations, with education, research and civic engagement that are applied, inclusive and impactful.

Our motto since 1887, 'a skilled hand, a cultivated mind', reflects RMIT's commitment to improving the lives and futures of people in a fast-changing society. Applying knowledge with skill, imagination and integrity is at the core of all our work across education, research and civic engagement.

RMIT's presence around the world enables our students and staff to benefit from the exchange of ideas and research across a broad ecosystem. Three substantial campuses in Melbourne are located in the City, Brunswick and Bundoora, along with other Victorian locations.

We also have two campuses and a language centre in Vietnam, and a research and industry collaboration centre in Barcelona, Spain. In addition, programs are offered through partners in Singapore, Hong Kong, Sri Lanka and mainland China, with research and industry partnerships on every continent.

We continue to consolidate our reputation as one of the world's leaders in education and applied research. At the heart of this is our ability to graduate highly employable global citizens who are ready to make a positive contribution. Our diverse community of 480,000+ graduates live and work in more than 150 countries around the world. We regularly welcome our alumni back throughout their careers to top-up their skills or change their direction all together, because we know education is lifelong.

Powered by the insight and ingenuity of our people, RMIT will evolve and thrive for the decades to come, working with our students and communities to achieve their goals. I encourage you to take part.

Professor Alec Cameron
Vice-Chancellor and President

Why choose RMIT?

RMIT is a global university of technology, design and enterprise. Established in 1887, we are one of the top universities in Melbourne and one of Australia's oldest tertiary institutions.

RMIT is ranked among the world's best universities in 28 of 43 assessed subject areas featured in the 2022 QS World University Rankings by Subject.

#1

graduate employment rate in Australia¹

#1

In 2022, RMIT won the Award for Most Popular Careers Service in Australia²

#1

in Australia and #15 in the world for art and design⁴

#3

in the world and second in Australia for our efforts to reduce inequality³

\$2.24M

allocated by RMIT Activator to more than 115 student startups since 2015

90,559

students from 194 different countries studying with RMIT

Committed to sustainability

RMIT has won the most Green Gown Awards of any institution in Australasia, winning awards for facilities and services, institutional change, carbon reduction and benefiting society. Most recently RMIT won the 2021 Green Gown awards for Climate Action and Circular Economy.

Empowering our communities

In 2021, RMIT Activator launched Trade Routes: a program that works with Indigenous businesses to build their capacity and ready them for international expansion. Co-designed with Indigenous businesses and community leaders, the program is the first of its kind in Australia.

Explore our locations

Our award-winning locations are home to a thriving student population.

They are constantly evolving and expanding to meet the needs of our students and of modern university life.

Melbourne

Situated in the very heart of the central business district (CBD), the City campus has been an iconic part of the Melbourne skyline for more than 130 years.

Brunswick

Our Brunswick campus is a creative and multicultural hub. It is home to many of RMIT's design courses, including fashion, textiles, graphic and industrial design.

Bundoora

Situated in the north of Melbourne, the leafy Bundoora campus is home to many of RMIT's education, biomedical, health and science courses.

Flight Training Centres

Our Point Cook and Bendigo sites provide easy access to airspace, terrain and urban development to maximise navigational experiences.

Vietnam

Study abroad at RMIT Vietnam and experience an unforgettable semester in Asia. Our urban Hanoi campus and clean, green Saigon South campus offer expansive study spaces and student environments.

Europe

Opportunities exist for students to engage with our European centre in Barcelona through study tours, internships and research, as well as online opportunities including industry projects, mentoring and guest lectures.

Melbourne campus maps

Life in Melbourne

Melbourne is a vibrant and welcoming city full of exciting possibilities. Students from more than 190 different countries have chosen to make it their home. Connect with them and create a community of lifelong friends as you experience a world-class qualification.

Recreation

Melbourne is known for its beautiful parks and gardens, clean air, open spaces, world-class venues and convenient transport and infrastructure.

- Melbourne is Australia's most liveable city, and is #10 in the world for liveability.¹
- Melbourne is ranked Australia's best city for international students.²

Art, culture and entertainment

Melbourne hosts more than 8,000 festivals, exhibitions and events every year.⁴ With a calendar of events spanning art, theatre, music, fashion, food, markets, festivals and concerts, there's always something to do in our bustling city.

- Melbourne is widely known as the events and cultural capital of Australia.⁴
- Melbourne is the second city in the world to be designated a UNESCO City of Literature.⁵
- Melbourne is home to the National Gallery of Victoria (NGV), Australia's oldest public gallery.

Working while studying

From 1 July 2023, international students can work up to 48 hours per fortnight.

Different visas have different guidelines around working rights, so it's important to check your visa conditions. For more information about your working conditions, rights and obligations in Australia, visit:

rmit.edu.au/about/moving-to-melbourne/employment

World-class dining

Melbourne's culinary spirit is world-famous. Whether you're looking to visit a much-loved institution, a lively new wine bar or a casual cafe, Melbourne offers an array of unforgettable dining experiences.

- Melbourne is renowned for great coffee and is ranked the sixth best city in the world for its food and drink scene.³

Sport

Melbourne is the sporting capital of Australia. Watch international sports stars live in action at some of the many sporting events in our city every year. Here are six annual sporting events held in Victoria that are not to be missed:

- The Australian Open (Grand Slam tennis)
- Formula One Australian Grand Prix (motor racing)
- Rip Curl Pro Bells Beach (surfing)
- Boxing Day Test (cricket)
- AFL Grand Final (Australian Rules football)
- The Melbourne Cup (horse racing)

After graduating

If you complete two years of a bachelor's degree, master's degree or PhD in Australia, you could be eligible for a Temporary Graduate visa, which allows you to live in Australia for a further two years or more.

From 1 July 2023, international students on the Temporary Graduate visa will also be granted an extra two years of post-study work rights if their qualification is on the eligible list.

Life at RMIT

Whether you're sporty, creative or just curious, RMIT's clubs, collectives, events and trips will help you meet people, make connections and discover more of Melbourne.

Kirrip at RMIT

Starting uni can be daunting, especially if you're new to Melbourne, so our Kirrip program is designed to help you settle in and make friends.

'Kirrip' means 'friend' in the Woi-wurrung language of the Wurundjeri people, one of the Traditional Owners of Naarm (Melbourne), and RMIT has a large number of Kirrip stewards (existing students) who can answer your questions and show you around. Connect online or in person.

Melbourne Experiences

From coffee tours and gallery visits to big sporting events, our Melbourne Experiences program is ideal for those who want to discover more of Melbourne and meet people in a small group.

These experiences are led by friendly and helpful Kirrip stewards and serve as a great starting place to expand your university social network and feel comfortable in your new city.

Student clubs and communities

From cheerleading to chess, fashion to futsal – whatever you're into, RMIT has a club or society for you.

We have more than 160 student-run clubs that engage more than 15,000 students and alumni, so whether you're chasing adventure, want to meet new people, build new skills, or just do more of something you love – RMIT has the perfect group for you.

Campus life

Uni is about so much more than just going to class. Engaging in campus life is one of the best ways to make life-long friends, get healthy and grow, both personally and professionally.

At RMIT, there are hundreds of weekly events for students across all campuses, with free food, music and entertainment. You can unleash your creativity with our public art trails or collaborative art projects, get active with our social sports and excellent fitness facilities, or go on a group trip and visit somewhere you've never been before!

Academic English pathways

More than 50 years' experience teaching academic English

Centrally located within the Melbourne CBD

Face-to-face delivery

International Language Testing Centre

RMIT Training delivers the English for Academic Purposes (EAP) program, which prepares you for success at university by teaching you academic English while developing your skills for independent learning and group work at university. The 2024 fees per week for the EAP program are \$AU520.

- There are six EAP levels (Elementary to Advanced Plus) with each level taking 10 weeks of full-time study to complete.
- To take the pathway to your chosen RMIT program, you must successfully complete the academic English level on your letter of offer.
- We will place you in a class that matches your most recent IELTS or other recognised English language proficiency test results (not more than 24 months old). See table below for the test result required for each level.

Note: If you do not have a recent IELTS score (or English test equivalent) you can complete a Placement Test at RMIT English Worldwide.

For more information, including start dates, fees and enrolment process, visit rmittraining.com/courses-and-tests/academic-english-rew

Level of English needed to enter each REW level of study						
Your current IELTS level	3.5	4.0	4.5	5.0	5.5	6.0
Recommended EAP level of study	Elementary (10 weeks)	Pre Intermediate (10 weeks)	Intermediate (10 weeks)	Upper Intermediate (10 weeks)	Advanced (10 weeks)	Advanced Plus (10 weeks)

Foundation Studies pathways

Foundation Studies is your pathway to RMIT University

Curriculum designed for international students

More than 25 years' experience delivering Foundation Studies

Develop skills in critical thinking, independent learning and group work

Entry level*

Successful completion of Australian Year 11 or equivalent D average

IELTS (academic) 5.5 (No band below 5.0)

* Students must be at least 16 years of age to commence program

Foundation Studies program

- Art, Design and Architecture
- Business
- Communication and Social Context
- Engineering and Science
- Health
- Information Technology

RMIT University

Dates and fees

The 2024 tuition fee for Foundation Studies is \$AU29,500, and the study duration is one year of full-time study. Key commencement dates are below:

- 29 January 2024
- 15 July 2024

To find out about the guaranteed pathway requirements

Get future ready

Find a job, plan your career and check out all the opportunities for work and study at RMIT.

Job Shop

RMIT's Job Shop is your drop-in service centre for all things career-related. Job Shop offers services such as:

- help finding and applying for casual, part-time and graduate jobs
- free résumé and cover letter workshops
- industry events and networking sessions
- one-on-one career consultation appointments
- course or program advice

rmit.edu.au/jobshop

RMIT Activator

Activator is RMIT's home of entrepreneurship. Its workshops, online learning and startup programs position students to solve the biggest problems out there and take on the future of work. At Activator, you can access mentors, attend masterclasses, request business coaching, apply for funding and learn the enterprise skills you need to support your ideas.

No matter what your future looks like, plug into Activator's ecosystem of entrepreneurs, intrapreneurs, startup founders and innovators and let it help you on your journey to success.

rmitactivator.edu.au

RMIT Creds

RMIT Creds are a suite of micro-credentials that help develop your skill set beyond your area of study. These credentials have been co-designed with industry to ensure you're ready for the changing world of work. They cover subjects such as digital literacy, leadership, sustainability, innovation, collaboration and communication.

Most Creds are available online and are short in duration, ranging from 60-minute snippets to several hours of learning. After you complete a Cred, you can claim a digital badge, which is a verified certification and a great way to communicate your achievements. You publish and manage your badge using Credly, RMIT's credentialing platform partner. From there you can share your badge with peers, clients, employers or on social networks such as LinkedIn.

rmit.edu.au/creds

Work-integrated learning (WIL)

WIL is an activity where you apply your academic learning in a real-life situation with an industry or community partner.

Higher education and vocational education students can complete a WIL activity, which is formally assessed for credit towards your qualification. The type of WIL activities you undertake will depend on your program and study discipline, and can occur on or off campus. They may be:

- work placements such as clinical placements, internships or field education or professional practices
- projects with industry and community-based organisations
- art projects with exhibitions

WIL simulations are activities where you practise using technology, equipment or activities that are not possible to complete in an industry setting, e.g. moot courts.

Future Edge employability program

Future Edge is a flexible, co-curricular program designed to help you to identify and achieve your career goals.

You can complete the program at your own pace, and it will complement your time at RMIT by helping you to build the transferable skills that employers look for.

Through Future Edge, you will be supported to:

- design a personalised plan that outlines your goals and areas for development
- build your skills and experiences by engaging in workshops, industry events, global experiences, volunteering, part-time work and more
- learn how to communicate your skills and experiences to employers

rmit.edu.au/future-edge

Accommodation and expenses

RMIT can help you find accommodation that feels right for you in Melbourne, Australia's #1 city for international students.¹

Before you arrive

If you are new to Melbourne, we recommend that you arrive at least two to three weeks before the start of classes to give you time to arrange long-term accommodation. Short-stay accommodation can provide a place for you to stay while you are looking.

When you arrive

When you arrive in Melbourne, we recommend you meet with a Student Welfare Advisor at Student Connect for advice on researching and inspecting properties. Our advisors can help you navigate the accommodation options below.

Short-term accommodation

It's a good idea to get to know the areas surrounding your campus before you commit to moving into a place long term. You can try renting temporary lodgings to get a taste of your location. See the link below for a selection of short-stay accommodation providers recommended by RMIT.

rmit.edu.au/temporary-accommodation

Long-term accommodation

Every suburb in Melbourne has its own unique character, so once you find a place that suits your personality and lifestyle you can choose a longer-term option.

rmit.edu.au/long-term-accommodation

And if you want to have RMIT right on your doorstep, UniLodge at our Bundoora campus provides state-of-the-art student accommodation with a range of self-contained apartments or studios to choose from.

unilodge.com.au/unilodge-rmit-bundoora

¹ QS Best Student Cities 2023

Our student accommodation partners

Want to live somewhere fully furnished, reasonably priced and with other students? Take a look at our recommended student apartments close to our City and Brunswick campuses:

rmit.edu.au/studentaccommodation

Living on campus

If you want to have RMIT on your doorstep, UniLodge at our Bundoora campus might be for you. RMIT's state-of-the-art student accommodation offers a range of self-contained apartments, with rent, electricity, gas, water and internet all included in the cost.

Check out

unilodge.com.au/unilodge-rmit-bundoora

Establishment costs

Before moving to Melbourne, you'll need a plan to cover your set-up costs, such as a rental deposit, one month's rent in advance, furniture and household items.

Many student apartments come fully furnished, but most private rental homes do not. Ongoing costs will depend on your location and lifestyle.

Scholarships for international students

Scholarships can help with all kinds of study costs such as textbooks, fees, accommodation and living expenses.

While many of the scholarships consider academic achievement, there are also scholarships awarded based on what you are studying, where you are from or your personal circumstances.

rmit.edu.au/international-student-scholarships

Are you under 18?

If you'll be under the age of 18 when you arrive in Australia, you must have accommodation and welfare arrangements organised and approved either by the Department of Home Affairs or RMIT before you leave home. This is to ensure you have proper day-to-day support to keep you safe and well.

rmit.edu.au/temporary-accommodation

Free airport pick-up

If you're a new international student, take advantage of RMIT's free airport pick-up service. For information on submitting your pick-up request, visit

rmit.edu.au/prepare-to-arrive

Example of weekly expenses in Melbourne*

Below is a sample budget for an international student living in Melbourne.

Expense	\$AU
Rent Indicative of what you may pay for a one-bedroom unit without roommates. <ul style="list-style-type: none"> ▪ City 480 ▪ Suburbs 410 	
Transport Indicative of what you might pay if you use public transport often, and taxi services sometimes. Does not include bicycle or driving costs.	70
Services and products Indicative of what you might pay if you're spending a moderate amount on a gym membership, haircuts and cosmetics.	61
Clothing Indicative of what you might pay if you're buying three items per month at a moderate cost.	42
Entertainment Indicative of what you might pay if you do these activities once per fortnight each: cinemas, live music/sport, social sport/group classes, and a night out in Melbourne's bar and club scene.	204
Groceries and eating out Indicative of what you might pay if you eat approximately half your meals at a restaurant and if you're spending a moderate amount whether you eat out or at home.	230
Estimated weekly total	1,807

Footnotes

A This course is only available for advanced entry.

K This is a one-year full-time honours degree that is available for high-performing students to apply after finishing their undergraduate degree in the relevant discipline. An honours degree allows you to deepen your knowledge and develop your research, analytical and communication skills, and it is a pathway into postgraduate and higher degree by research studies.

O This is a combined bachelor and honours degree and entry is based on senior high school qualifications. Upon completion of this program, students graduate with honours without having to undertake an additional year of study. An honours degree allows you to deepen your knowledge and develop your research, analytical and communication skills, and it is a pathway into postgraduate and higher degree by research studies.

W Classes for this course are delivered across the City and Bundoora campuses. Students may be required to attend both locations.

BB February entry may be available to students who are granted course/subject exemptions or advanced entry based on previous study.

Cutting-edge facilities

The award-winning \$32-million biosciences building at our Bundoora campus is at the centre of RMIT's biomedical science courses

Only Victorian university

to offer all the following majors:

- haematology
- anatomical pathology
- medical microbiology
- clinical biochemistry
- transfusions and transplantation science

Study abroad

Laboratory medicine provides opportunities for students to travel overseas and undertake 10 to 13 weeks of professional practice in an approved lab

Shape your degree around your interests

In selected biomedical science degrees, you can try a mix of electives before you decide where to specialise and you'll have access to Future Technology Skills courses

For more information visit

rmit.edu.au/biomedical-science

Industry accreditation

RMIT's courses are accredited by:

- Australian Institute of Building
- Royal Institution of Chartered Surveyors
- Chartered Institute of Building
- Australian Institute of Quantity Surveyors
- Planning Institute of Australia
- The Environment Institute of Australia and New Zealand

250+ employers of choice

RMIT's property, construction and project management courses maintain relationships with 250+ industry connections through our Employer of Choice program

Cutting-edge technologies

RMIT's construction management courses are among the first in the world to embed 4K spherical virtual technology and building information modelling into the curriculum

Vinisha Pulikkaparambil Marketing alum

The Master of Marketing from RMIT has put me in good stead for a career in Australia.

I feel more confident armed with an international degree and I really know the 'why' of marketing. I've made industry connections, learned so much from my lecturers and really understood [the] foundations of marketing.

Beatrice Co Engineering (Environmental Engineering) alum

I wanted to go to RMIT because of the great reputation the institution has for engineering. I heard that RMIT was the best you can get in regards to hands-on learning and that employers were more likely to choose a graduate from RMIT over other universities.

My learning experience was amazing; my teachers were always there to help and prioritised my learning.

Naarah Sukkel
Nursing student

The nursing simulation labs are really helpful to learn in. They're modern and have great equipment that would be used in a real ward situation, and we get to use the simulated manikins, they can breathe and talk and throw a curveball at you, so you have to be able to respond to their needs.

We do practical placements throughout the whole three years of the course. In final year they're more complex and focus on preparing us for going out into the workforce next year.

Top 10

Beth Shegog
International Studies alum

I choose RMIT primarily because the students and alumni I spoke with always praised RMIT and had such enthusiasm and positive experiences at university. [RMIT's industry connections] gave me more confidence that I'll get both a positive university experience as well as a pathway to a job.
